

Notice #4

Request for Proposals (“RFP”) for the Supply of one (1) proton accelerator, either cyclotron or synchrotron, and two (2) 360 degree rotating gantries, capable of Pencil Beam Scanning and Intensity Modulated Proton Therapy

This Notice #4 is being furnished to Bidders in accordance with the provisions of the General Terms and Conditions of the RFP Documents (the "General Terms").

Further to questions put forth by participants in the RFP, the Final Submission Date of bids referred to in the General Terms shall be postponed to no later than 13:00 (Israel Time) on March 28th, 2021.

During such time there may be changes in the framework of the RFP and the legal entity issuing the RFP.
